

# SAFETY DATA SHEET

## SECTION 1: Identification of the substance/mixture and of the company/undertaking

### 1.1. Product identifier

Product Name CGAS1

Product Description 1000 µg/mL: Arsenic

### 1.2. Relevant identified uses of the substance or mixture and uses advised against

Recommended Use Laboratory chemicals

Uses advised against No information available

### 1.3. Details of the supplier of the safety data sheet

**Company**  
Inorganic Ventures  
300 Technology Drive  
Christiansburg, VA 24073  
Phone: 1(800) 669-6799  
Email: info@inorganicventures.com

### 1.4. Emergency telephone number

Chemtrec 1-800-424-9300 (North America)

Chemtrec +1 703-741-5970 (International)

|        |           |
|--------|-----------|
| Europe | See above |
|--------|-----------|

## SECTION 2: Hazards identification

### 2.1. Classification of the substance or mixture

Classification according to  
Regulation (EC) No. 1272/2008 [CLP]

### GHS

|                                   |                     |
|-----------------------------------|---------------------|
| Skin corrosion/irritation         | Category 2 - (H315) |
| Serious eye damage/eye irritation | Category 2 - (H319) |
| Chronic aquatic toxicity          | Category 4 - (H413) |
| Corrosive to metals               | Category 1 - (H290) |

### 2.2. Label elements

#### Product identifier

**Signal word**  
Warning

**Hazard statements**

H290 - May be corrosive to metals

H315 - Causes skin irritation

H319 - Causes serious eye irritation

H413 - May cause long lasting harmful effects to aquatic life

EUH071 - Corrosive to the respiratory tract

**Precautionary Statements - EU (§28, 1272/2008)**

P264 - Wash face, hands and any exposed skin thoroughly after handling

P337 + P313 - If eye irritation persists: Get medical advice/attention

**2.3. Other hazards**

No information available

**SECTION 3: Composition/information on ingredients****3.1 Substances**

| Chemical name | EC No (EU Index No) | CAS No.   | Weight-% | Classification according to Regulation (EC) No. 1272/2008 [CLP]                                  | REACH registration number |

**Full text of H- and EUH-phrases: see section 16****SECTION 4: First aid measures****4.1. Description of first aid measures****Inhalation**

Remove to fresh air.

**Skin Contact**

Wash off immediately with soap and plenty of water while removing all contaminated clothes and shoes.

**Ingestion**

Clean mouth with water and drink afterwards plenty of water.

**4.2. Most important symptoms and effects, both acute and delayed****Most Important Symptoms and Effects**

Asthma-like and/ or skin allergy-like symptoms.

**4.3. Indication of any immediate medical attention and special treatment needed****Notes to Physician**

Treat symptomatically

## SECTION 5: Firefighting measures

### 5.1. Extinguishing media

#### **Suitable Extinguishing Media**

Use extinguishing measures that are appropriate to local circumstances and the surrounding environment.

#### **Unsuitable Extinguishing Media**

No information available

### 5.2. Special hazards arising from the substance or mixture

Thermal decomposition can lead to release of irritating gases and vapors

### 5.3. Advice for firefighters

As in any fire, wear self-contained breathing apparatus pressure-demand, MSHA/NIOSH (approved or equivalent) and full protective gear.

## SECTION 6: Accidental release measures

### 6.1. Personal precautions, protective equipment and emergency procedures

#### **Personal Precautions**

Ensure adequate ventilation.

#### **Advice for emergency responders**

Ensure adequate ventilation.

### 6.2. Environmental precautions

Prevent further leakage or spillage if safe to do so. See Section 12 for additional Ecological Information.

### 6.3. Methods and material for containment and cleaning up

#### **Methods for Containment**

Prevent further leakage or spillage if safe to do so.

#### **Methods for Cleaning Up**

Take up mechanically, placing in appropriate containers for disposal.

### 6.4. Reference to other sections

See Section 12: ECOLOGICAL INFORMATION.

## SECTION 7: Handling and storage

### 7.1. Precautions for safe handling

#### **Advice on safe handling**

Ensure adequate ventilation.

#### **Hygiene Measures**

Handle in accordance with good industrial hygiene and safety practice.

### 7.2. Conditions for safe storage, including any incompatibilities

#### **Storage Conditions**

Keep container tightly closed in a dry and well-ventilated place.

### 7.3. Specific end use(s)

## SECTION 8: Exposure controls/personal protection

### 8.1. Control parameters

#### Exposure Limits

**Derived No Effect Level (DNEL)** No information available

**Predicted No Effect Concentration (PNEC)** No information available.

## 8.2. Exposure controls

**Engineering Measures** Ensure adequate ventilation, especially in confined areas.

### Personal protective equipment

**Eye/Face Protection**

Wear safety glasses with side shields (or goggles).

**Hand Protection**

Impervious gloves.

**Skin and Body Protection**

Long sleeved clothing.

**Respiratory Protection**

When workers are facing concentrations above the exposure limit they must use appropriate certified respirators.

**Environmental Exposure Controls** No information available.

## SECTION 9: Physical and chemical properties

### 9.1. Information on basic physical and chemical properties

**Physical state**

Liquid

**Appearance**

clear/ colorless

**Odor**

Odorless

**pH - VALUE 1**

No data available

**Melting point / melting range**

No data available

**Initial boiling point and boiling range**

100 °C / 212 °F

**Evaporation rate**

No data available

**Flammability (solid, gas)**

No data available

**Vapor pressure @20 °C (kPa)**

No data available

**Relative vapor density**

No data available

**Relative Density**

No data available

**Specific gravity - VALUE 1**

No data available

**Water solubility**

Miscible

**Partition coefficient: n-octanol/water**

No data available

**Autoignition temperature**

No data available

**Decomposition temperature**

No data available

**Dynamic viscosity - VALUE 1**

No data available

**Explosive Properties**

No information available

**Oxidizing Properties**

No information available

**VOC content**

No information available

## SECTION 10: Stability and reactivity

### 10.1. Reactivity

No data available.

#### **10.2. Chemical stability**

Stable under normal conditions.

##### Explosion Data

Sensitivity to Mechanical Impact    None.

Sensitivity to Static Discharge       None.

#### **10.3. Possibility of hazardous reactions**

##### **Hazardous Polymerization**

None under normal processing.

##### **Hazardous Reactions**

None under normal processing.

#### **10.4. Conditions to avoid**

None known.

#### **10.5. Incompatible materials**

Bases Cyanides

#### **10.6. Hazardous decomposition products**

Nitrogen oxides (NOx).

**SECTION 11: Toxicological information****11.1. Information on toxicological effects****Acute Toxicity**

|                            |                                                                                           |
|----------------------------|-------------------------------------------------------------------------------------------|
| <b>Product Information</b> | Product does not present an acute toxicity hazard based on known or supplied information. |
| <b>Inhalation</b>          | No data available.                                                                        |
| <b>Eye Contact</b>         | No data available.                                                                        |
| <b>Skin Contact</b>        | No data available.                                                                        |
| <b>Ingestion</b>           | No data available.                                                                        |

The following values are calculated based on chapter 3.1 of the GHS document

**ATEmix (inhalation-dust/mist)** 25.050 mg/l  
**ATEmix (inhalation-vapor)** 132.50 mg/l  
**Unknown acute toxicity**  
2 % of the mixture consists of ingredient(s) of unknown acute toxicity.  
2 % of the mixture consists of ingredient(s) of unknown acute oral toxicity.  
2 % of the mixture consists of ingredient(s) of unknown acute dermal toxicity.  
2 % of the mixture consists of ingredient(s) of unknown acute inhalation toxicity (gas).  
0 % of the mixture consists of ingredient(s) of unknown acute inhalation toxicity (vapor).  
0 % of the mixture consists of ingredient(s) of unknown acute inhalation toxicity (dust/mist).

**Component Information**

|                                          |                           |
|------------------------------------------|---------------------------|
| <b>Skin corrosion/irritation</b>         | No information available. |
| <b>Serious eye damage/eye irritation</b> | No information available. |
| <b>Sensitization</b>                     | No information available. |
| <b>Mutagenic Effects</b>                 | No information available. |
| <b>Carcinogenic effects</b>              |                           |
| <b>Reproductive Toxicity</b>             | No information available. |
| <b>STOT - single exposure</b>            | No information available. |
| <b>STOT - repeated exposure</b>          | No information available. |
| <b>Aspiration hazard</b>                 | No information available. |

**SECTION 12: Ecological information****12.1. Toxicity**

May cause long lasting harmful effects to aquatic life

Contains 0 % of components with unknown hazards to the aquatic environment

**12.2. Persistence and degradability**

No information available.

**12.3. Bioaccumulative potential**

No information available.

| Chemical name | Partition coefficient |
|---------------|-----------------------|
| Nitric acid   | -2.3                  |

**12.4. Mobility in soil****Mobility in soil**

No information available.

**12.5. Results of PBT and vPvB assessment**

No information available.

| Chemical name | PBT and vPvB assessment         |
|---------------|---------------------------------|
| Nitric acid   | The substance is not PBT / vPvB |
| Arsenic       | PBT assessment does not apply   |

**12.6. Other adverse effects**

## SECTION 13: Disposal considerations

**13.1. Waste treatment methods**

|                                            |                                                                                                                                                                                                                |
|--------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Waste from Residues/Unused Products</b> | Dispose of in accordance with federal, state and local regulations.                                                                                                                                            |
| <b>Contaminated Packaging</b>              | Do not reuse empty containers.                                                                                                                                                                                 |
| <b>Other Information</b>                   | According to the European Waste Catalogue, Waste Codes are not product specific, but application specific. Waste codes should be assigned by the user based on the application for which the product was used. |

## SECTION 14: Transport information

## SECTION 15: Regulatory information

### 15.1. Safety, health and environmental regulations/legislation specific for the substance or mixture

#### European Union

Take note of Directive 98/24/EC on the protection of the health and safety of workers from the risks related to chemical agents at work

#### International Inventories

All of the components in the product are on the following Inventory lists: U.S.A. (TSCA), Europe (EINECS/ELINCS/NLP), Canada (DSL/NDSL), Philippines (PICCS), Japan (ENCS), China (IECSC), Australia (AICS), Korea (ECL).

|               |          |
|---------------|----------|
| TSCA          | Complies |
| EINECS/ELINCS | Complies |
| DSL/NDSL      | Complies |
| PICCS         | Complies |
| ENCS          | Complies |
| IECSC         | Complies |
| AIIC          | Complies |
| KECL          | Complies |

**Legend**

EINECS/ELINCS - European Inventory of Existing Commercial Chemical Substances/EU List of Notified Chemical Substances

**DSL/NDSL** - Canadian Domestic Substances List/Non-Domestic Substances List  
**PICCS** - Philippines Inventory of Chemicals and Chemical Substances  
**ENCS** - Japan Existing and New Chemical Substances  
**IECSC** - China Inventory of Existing Chemical Substances  
**AICS** - Australian Inventory of Chemical Substances  
**KECL** - Korean Existing and Evaluated Chemical Substances

#### **15.2. Chemical safety assessment**

No information available

### **SECTION 16: Other information**

#### **Full text of R-phrases referred to under sections 2 and 3**

No information available

#### **Full text of H-Statements referred to under section 3**

H272 - May intensify fire; oxidizer  
H301 - Toxic if swallowed  
H314 - Causes severe skin burns and eye damage  
H331 - Toxic if inhaled  
H400 - Very toxic to aquatic life  
H410 - Very toxic to aquatic life with long lasting effects

**Revision Date** 04-Nov-2025

**Reason for Revision** Not applicable.

**This material safety data sheet complies with the requirements of Regulation (EC) No. 1907/2006**
