

Issuing Date 26-Jun-2026

Revision date 26-Jun-2026

Revision Number 5

**Section 1: IDENTIFICATION OF THE SUBSTANCE/MIXTURE AND OF THE COMPANY/UNDERTAKING****Product identifier****Product Name** MSFE-100PPM**Other means of identification****Product Description** 100 µg/mL: Fe  
**Recommended use of the chemical and restrictions on use****Recommended Use** Laboratory chemicals**Restriction on Use** No information available**Details of the supplier of the safety data sheet**

|         |                                                                                                                                          |                |                            |
|---------|------------------------------------------------------------------------------------------------------------------------------------------|----------------|----------------------------|
| Company | Inorganic Ventures<br>300 Technology Drive<br>Christiansburg, VA 24073<br>Phone: 1(800) 669-6799<br>Email:<br>info@inorganicventures.com | E-mail Address | info@inorganicventures.com |
|---------|------------------------------------------------------------------------------------------------------------------------------------------|----------------|----------------------------|

**Emergency telephone number****Emergency Telephone** Chemtrec 1-800-424-9300 (US)  
+34.678750066**Section 2: HAZARDS IDENTIFICATION****Classification**

|                                   |             |
|-----------------------------------|-------------|
| Skin corrosion/irritation         | Category 2  |
| Serious eye damage/eye irritation | Category 2A |
| Carcinogenicity                   | Category 1A |

**Label Elements****Danger****Hazard statements**

Causes skin irritation  
Causes serious eye irritation  
May cause cancer

**Precautionary Statements - Prevention**

Obtain special instructions before use  
 Do not handle until all safety precautions have been read and understood  
 Wear protective gloves/protective clothing/eye protection/face protection  
 Wash face, hands and any exposed skin thoroughly after handling

**Precautionary Statements - Response**

IF exposed or concerned: Get medical advice/attention

**Eyes**

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing  
 If eye irritation persists: Get medical advice/attention

**Skin**

IF ON SKIN: Wash with plenty of water and soap  
 If skin irritation occurs: Get medical advice/attention  
 Take off contaminated clothing and wash it before reuse

**Precautionary Statements - Storage**

Store locked up

**Precautionary Statements - Disposal**

Dispose of contents/container to an approved waste disposal plant

**Other Information**

Harmful to aquatic life

**Unknown acute toxicity** 1.4 % of the mixture consists of ingredient(s) of unknown toxicity

- 1.4 % of the mixture consists of ingredient(s) of unknown acute oral toxicity
- 1.4 % of the mixture consists of ingredient(s) of unknown acute dermal toxicity
- 1.4 % of the mixture consists of ingredient(s) of unknown acute inhalation toxicity (gas)
- 0 % of the mixture consists of ingredient(s) of unknown acute inhalation toxicity (vapor)
- 0 % of the mixture consists of ingredient(s) of unknown acute inhalation toxicity (dust/mist)

## Section 3: COMPOSITION/INFORMATION ON INGREDIENTS

**Substance**

Not applicable.

**Mixture**

| Chemical name | CAS No. | Weight-% | Hazardous Material<br>Information Review Act<br>registry number (HMIRA<br>registry #) | Date HMIRA filed and<br>date exemption granted (if<br>applicable) |
|---------------|---------|----------|---------------------------------------------------------------------------------------|-------------------------------------------------------------------|
|               |         |          |                                                                                       |                                                                   |

|             |           |     |   |  |
|-------------|-----------|-----|---|--|
| Nitric acid | 7697-37-2 | 1.4 | - |  |
|-------------|-----------|-----|---|--|

## Section 4: FIRST AID MEASURES

### Description of first aid measures

|                |                                                                                                                         |
|----------------|-------------------------------------------------------------------------------------------------------------------------|
| General advice | IF exposed or concerned: Get medical advice/attention.                                                                  |
| Inhalation     | Remove to fresh air.                                                                                                    |
| Eye contact    | Rinse thoroughly with plenty of water for at least 15 minutes, lifting lower and upper eyelids.<br>Consult a physician. |
| Skin contact   | Wash skin with soap and water.                                                                                          |
| Ingestion      | Clean mouth with water and drink afterwards plenty of water.                                                            |

### Most important symptoms and effects, both acute and delayed

|          |                           |
|----------|---------------------------|
| Symptoms | No information available. |
|----------|---------------------------|

### Indication of any immediate medical attention and special treatment needed

|                    |                        |
|--------------------|------------------------|
| Note to physicians | Treat symptomatically. |
|--------------------|------------------------|

## Section 5: FIRE FIGHTING MEASURES

|                                                |                                                                                                                                       |
|------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------|
| Suitable Extinguishing Media                   | Use extinguishing measures that are appropriate to local circumstances and the surrounding environment.                               |
| Unsuitable extinguishing media                 | CAUTION: Use of water spray when fighting fire may be inefficient.                                                                    |
| Specific hazards arising from the chemical     | No information available.                                                                                                             |
| Explosion data                                 |                                                                                                                                       |
| Sensitivity to mechanical impact               | None.                                                                                                                                 |
| Sensitivity to static discharge                | None.                                                                                                                                 |
| Special protective equipment for fire-fighters | Firefighters should wear self-contained breathing apparatus and full firefighting turnout gear.<br>Use personal protection equipment. |

## Section 6: ACCIDENTAL RELEASE MEASURES

### Personal precautions, protective equipment and emergency procedures

|                      |                                                          |
|----------------------|----------------------------------------------------------|
| Personal precautions | Ensure adequate ventilation.                             |
| Other information    | Refer to protective measures listed in Sections 7 and 8. |

### Methods and material for containment and cleaning up

|                         |                                                       |
|-------------------------|-------------------------------------------------------|
| Methods for containment | Prevent further leakage or spillage if safe to do so. |
|-------------------------|-------------------------------------------------------|

**Methods for cleaning up** Pick up and transfer to properly labeled containers.

## Section 7: HANDLING AND STORAGE

### Precautions for safe handling

**Advice on safe handling** Handle in accordance with good industrial hygiene and safety practice. Avoid contact with skin, eyes or clothing.

### Conditions for safe storage, including any incompatibilities

**Storage Conditions** Keep containers tightly closed in a dry, cool and well-ventilated place.

## Section 8: EXPOSURE CONTROLS/PERSONAL PROTECTION

### Control Parameters

#### Exposure Limits

| Chemical name            | Alberta                                                                               | British Columbia          | Ontario TWAEV             | Quebec                                                                                |
|--------------------------|---------------------------------------------------------------------------------------|---------------------------|---------------------------|---------------------------------------------------------------------------------------|
| Nitric acid<br>7697-37-2 | TWA: 2 ppm<br>TWA: 5.2 mg/m <sup>3</sup><br>STEL: 4 ppm<br>STEL: 10 mg/m <sup>3</sup> | TWA: 2 ppm<br>STEL: 4 ppm | TWA: 2 ppm<br>STEL: 4 ppm | TWA: 2 ppm<br>TWA: 5.2 mg/m <sup>3</sup><br>STEL: 4 ppm<br>STEL: 10 mg/m <sup>3</sup> |

### Appropriate engineering controls

**Engineering controls** Showers  
Eyewash stations  
Ventilation systems.

### Individual protection measures, such as personal protective equipment

**Eye/face protection** No special protective equipment required.

**Hand protection** Wear suitable gloves.

**Skin and body protection** Wear suitable protective clothing.

**Respiratory protection** No protective equipment is needed under normal use conditions. If exposure limits are exceeded or irritation is experienced, ventilation and evacuation may be required.

**General hygiene considerations** Do not eat, drink or smoke when using this product. Wash hands before breaks and immediately after handling the product.

## Section 9: PHYSICAL AND CHEMICAL PROPERTIES

### Information on basic physical and chemical properties

**Physical state** Liquid  
**Appearance** clear /  
**Odor** No information available

|                                        |                           |                                         |                   |
|----------------------------------------|---------------------------|-----------------------------------------|-------------------|
| Odor threshold                         | No information available  |                                         |                   |
| <b>Property</b>                        | <b>Values</b>             | <b>pH</b>                               | No data available |
| Melting point / freezing point         | No data available         | Initial boiling point and boiling range | 100 °C / 212 °F   |
| Flash point                            | No data available         | Evaporation rate                        | No data available |
| Flammability                           | No data available         | Flammability Limit in Air               |                   |
| Upper flammability or explosive limits | No data available         |                                         |                   |
| Lower flammability or explosive limits | No data available         |                                         |                   |
| Vapor pressure                         | No data available         | Relative vapor density                  | No data available |
| Relative Density                       | No information available  | Water solubility                        | No data available |
| None known                             |                           | Solubility in other solvents            |                   |
| Partition coefficient: n-octanol/water | No data available         | Autoignition temperature                | No data available |
| Hyphen                                 | No data available         | Kinematic viscosity                     | No data available |
| Dynamic viscosity                      | No data available         | None known                              |                   |
| <b>Other information</b>               |                           |                                         |                   |
| Explosive properties                   | No information available. |                                         |                   |
| Oxidizing properties                   | No information available. |                                         |                   |
| Softening point                        | No information available  |                                         |                   |
| Molecular Weight                       | No information available  |                                         |                   |
| VOC content                            | No information available  |                                         |                   |
| Liquid Density                         | No information available  |                                         |                   |
| Bulk density                           | No information available  |                                         |                   |

## Section 10: STABILITY AND REACTIVITY

|                                    |                                           |
|------------------------------------|-------------------------------------------|
| Reactivity                         | No information available.                 |
| Chemical stability                 | Stable under normal conditions.           |
| Possibility of hazardous reactions | None under normal processing.             |
| Hazardous polymerization           | None under normal processing.             |
| Conditions to Avoid                | None known based on information supplied. |
| Incompatible materials             | None known based on information supplied. |
| Hazardous decomposition products   | Nitrogen oxides (NOx).                    |

## Section 11: TOXICOLOGICAL INFORMATION

### Information on likely routes of exposure

#### Product Information

|              |                                                                   |
|--------------|-------------------------------------------------------------------|
| Inhalation   | Specific test data for the substance or mixture is not available. |
| Eye contact  | Specific test data for the substance or mixture is not available. |
| Skin contact | Specific test data for the substance or mixture is not available. |

**Ingestion**

Specific test data for the substance or mixture is not available.

**Symptoms related to the physical, chemical and toxicological characteristics****Symptoms**

No information available.

**Acute toxicity****Numerical measures of toxicity**

The following values are calculated based on chapter 3.1 of the GHS document

|                               |                 |
|-------------------------------|-----------------|
| ATEmix (oral)                 | 99,999.00 mg/kg |
| ATEmix (dermal)               | 99,999.00 mg/kg |
| ATEmix (inhalation-gas)       | 99,999.00 mg/l  |
| ATEmix (inhalation-dust/mist) | 35.80 mg/l      |
| ATEmix (inhalation-vapor)     | 230.10 mg/l     |

**Unknown acute toxicity**

1.4 % of the mixture consists of ingredient(s) of unknown toxicity

1.4 % of the mixture consists of ingredient(s) of unknown acute oral toxicity

1.4 % of the mixture consists of ingredient(s) of unknown acute dermal toxicity

1.4 % of the mixture consists of ingredient(s) of unknown acute inhalation toxicity (gas)

0 % of the mixture consists of ingredient(s) of unknown acute inhalation toxicity (vapor)

0 % of the mixture consists of ingredient(s) of unknown acute inhalation toxicity (dust/mist)

**Component Information**

| Chemical name            | Oral LD50 | Dermal LD50 | Inhalation LC50        |
|--------------------------|-----------|-------------|------------------------|
| Nitric acid<br>7697-37-2 | -         | -           | = 2500 ppm ( Rat ) 1 h |

**Delayed and immediate effects as well as chronic effects from short and long-term exposure****Skin corrosion/irritation**

No information available.

**Serious eye damage/eye irritation**

No information available.

**Respiratory or skin sensitization**

No information available.

**Germ cell mutagenicity**

No information available.

**Carcinogenicity**

Classification based on data available for ingredients.

The table below indicates whether each agency has listed any ingredient as a carcinogen.

| Chemical name            | ACGIH | IARC                                                                           | NTP | OSHA    |
|--------------------------|-------|--------------------------------------------------------------------------------|-----|---------|
| Nitric acid<br>7697-37-2 | -     | Group 1 - Carcinogenic to humans<br>Group 2A - Probably carcinogenic to humans | -   | Present |

**Legend****IARC (International Agency for Research on Cancer)**

Group 1 - Carcinogenic to Humans

Group 2A - Probably Carcinogenic to Humans

**Reproductive toxicity**

No information available.

**STOT - single exposure**

No information available.

**STOT - repeated exposure**

No information available.

Aspiration hazard No information available.

## Section 12: ECOLOGICAL INFORMATION

Ecotoxicity The environmental impact of this product has not been fully investigated.

Persistence and Degradability No information available.

Bioaccumulation No information available.

### Component Information

| Chemical name            | Partition coefficient |
|--------------------------|-----------------------|
| Nitric acid<br>7697-37-2 | -2.3                  |

## Section 13: DISPOSAL CONSIDERATIONS

### Waste treatment methods

Waste from residues/unused products Dispose of in accordance with local regulations. Dispose of waste in accordance with environmental legislation.

Contaminated packaging Do not reuse empty containers.

## Section 14: TRANSPORT INFORMATION

### IMDG

14.1. UN-No UN3264  
 14.2. Proper shipping name Corrosive liquid, acidic, inorganic, n.o.s  
 14.3. Transport hazard class(es) 8  
 14.4. Packing Group III  
 Description Not applicable  
 14.5. Marine Pollutant None  
 14.6. Special Provisions None  
 No information available Transport No information available  
 in bulk according  
 to Annex II of MARPOL 73/78 and  
 the IBC Code

### RID

14.1. UN-No UN3264  
 14.2. Proper shipping name Corrosive liquid, acidic, inorganic, n.o.s  
 14.3. Transport hazard class(es) 8  
 14.4. Packing Group III  
 Description Not applicable  
 14.5. Environmental hazard None  
 14.6. Special Provisions None

### ADR

14.1. UN-No UN3264  
 14.2. Proper shipping name Corrosive liquid, acidic, inorganic, n.o.s

|                                  |                |
|----------------------------------|----------------|
| 14.3. Transport hazard class(es) | 8              |
| 14.4. Packing Group              | III            |
| Description                      | Not applicable |

| 14.6. Special Provisions         | None                                       |

**Section 15: REGULATORY INFORMATION**

**Safety, health and environmental regulations/legislation specific for the substance or mixture**

**International Regulations**

The Montreal Protocol on Substances that Deplete the Ozone Layer Not applicable

The Stockholm Convention on Persistent Organic Pollutants Not applicable

The Rotterdam Convention Not applicable

**International Inventories**

|               |          |
|---------------|----------|
| TSCA          | Complies |
| DSL/NDSL      | Complies |
