

## 1. IDENTIFICATION OF THE SUBSTANCE/PREPARATION AND OF THE COMPANY/UNDERTAKING

**Product identifier**

**Product Name** MSGE-10PPM

**Other means of identification**

**Product Description** 10 µg/mL: Ge

**Recommended use of the chemical and restrictions on use**

**Recommended Use** Laboratory chemicals.

**Uses advised against** No information available

**Details of the supplier of the safety data sheet**

**Company**

Inorganic Ventures  
300 Technology Drive  
Christiansburg, VA 24073  
Phone: 1(800) 669-6799  
Email: info@inorganicventures.com

**Emergency Telephone Number**

Chemtrec 1-800-424-9300 (North America)  
Chemtrec +1 703-741-5970 (International)

## 2. HAZARDS IDENTIFICATION

### GHS

**Classification**

Not a hazardous substance or mixture according to the Globally Harmonized System (GHS)

**Label Elements**

The product contains no substances which at their given concentration, are considered to be hazardous to health

**Appearance** clear /

**Physical state** Liquid

**Odor** Odorless

**Hazards not otherwise classified (HNOC)**

**Other Information**

No information available

## 3. COMPOSITION/INFORMATION ON INGREDIENTS

This material is not considered hazardous under the OSHA Hazard Communication Standard (29 CFR 1910.1200).

#### 4. FIRST AID MEASURES

##### Description of first aid measures

|              |                                                                                                                      |
|--------------|----------------------------------------------------------------------------------------------------------------------|
| Eye Contact  | Rinse thoroughly with plenty of water for at least 15 minutes, lifting lower and upper eyelids. Consult a physician. |
| Skin Contact | Wash skin with soap and water.                                                                                       |
| Inhalation   | Remove to fresh air.                                                                                                 |
| Ingestion    | Clean mouth with water and drink afterwards plenty of water.                                                         |

##### Most important symptoms and effects, both acute and delayed

|                                     |                           |
|-------------------------------------|---------------------------|
| Most Important Symptoms and Effects | No information available. |
|-------------------------------------|---------------------------|

##### Indication of any immediate medical attention and special treatment needed

|                    |                       |
|--------------------|-----------------------|
| Notes to Physician | Treat symptomatically |
|--------------------|-----------------------|

#### 5. FIRE-FIGHTING MEASURES

##### Suitable Extinguishing Media

Use extinguishing measures that are appropriate to local circumstances and the surrounding environment.

**Unsuitable Extinguishing Media** Decomposition by contact with water may generate vapors which can be ignited by heat or open flame.

##### Special Exposure Hazards Arising from the Substance/Mixture

Thermal decomposition can lead to release of irritating gases and vapors

##### Explosion data

**Sensitivity to Mechanical Impact** None.

**Sensitivity to Static Discharge** None.

##### Protective Equipment and Precautions for Firefighters

As in any fire, wear self-contained breathing apparatus pressure-demand, MSHA/NIOSH (approved or equivalent) and full protective gear.

#### 6. ACCIDENTAL RELEASE MEASURES

##### Personal precautions, protective equipment and emergency procedures

|                      |                              |
|----------------------|------------------------------|
| Personal Precautions | Ensure adequate ventilation. |
|----------------------|------------------------------|

##### Environmental precautions

|                           |                                                                                                             |
|---------------------------|-------------------------------------------------------------------------------------------------------------|
| Environmental precautions | Prevent further leakage or spillage if safe to do so. See Section 12 for additional Ecological Information. |
|---------------------------|-------------------------------------------------------------------------------------------------------------|

##### Methods and material for containment and cleaning up

|                         |                                                                                                                                                                                          |
|-------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Methods for Cleaning up | Dam up. Neutralise with lime milk; soda. Soak up with inert absorbent material. Sweep up and shovel into suitable containers for disposal. After cleaning, flush away traces with water. |
|-------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

#### 7. HANDLING AND STORAGE

**Precautions for safe handling****Conditions for safe storage, including any incompatibilities**

**Storage Conditions** Keep containers tightly closed in a dry, cool and well-ventilated place.

**Incompatible Products** None known based on information supplied.

**8. EXPOSURE CONTROLS/PERSONAL PROTECTION****Control Parameters**

**Exposure Guidelines** This product does not contain any hazardous materials with occupational exposure limits established by the region specific regulatory bodies.

**Appropriate engineering controls**

**Engineering Measures** Ensure adequate ventilation, especially in confined areas.

**Individual protection measures, such as personal protective equipment**

**Respiratory Protection** When workers are facing concentrations above the exposure limit they must use appropriate certified respirators

**Hygiene Measures** Handle in accordance with good industrial hygiene and safety practice.

**9. PHYSICAL AND CHEMICAL PROPERTIES**

|                                                |                          |
|------------------------------------------------|--------------------------|
| <b>Physical state</b>                          | Liquid                   |
| <b>Appearance</b>                              | clear /                  |
| <b>Odor</b>                                    | Odorless                 |
| <b>pH - VALUE 1</b>                            | No data available        |
| <b>Melting point / melting range</b>           | No data available        |
| <b>Initial boiling point and boiling range</b> | 100 °C / 212 °F          |
| <b>Vapor pressure @20 °C (kPa)</b>             | No data available        |
| <b>Relative vapor density</b>                  | No data available        |
| <b>Relative Density</b>                        | No data available        |
| <b>Specific gravity - VALUE 1</b>              | No data available        |
| <b>Water solubility</b>                        | Miscible                 |
| <b>Partition coefficient: n-octanol/water</b>  | No data available        |
| <b>Autoignition temperature</b>                | No data available        |
| <b>Decomposition temperature</b>               | No data available        |
| <b>Dynamic viscosity - VALUE 1</b>             | No data available        |
| <b>Explosive properties</b>                    | No information available |
| <b>Oxidizing Properties</b>                    | No information available |
| <b>VOC content</b>                             | No information available |

**10. STABILITY AND REACTIVITY****Reactivity**

No data available

**Chemical stability**

Stable under recommended storage conditions.

**Possibility of hazardous reactions**

None under normal processing.

**Hazardous polymerization**

None under normal processing.

**Conditions to Avoid**

None known.

**Incompatible materials**

No information available

**Hazardous decomposition products**

None under normal use conditions.

**11. TOXICOLOGICAL INFORMATION****Information on likely routes of exposure**

|                            |                                                                              |
|----------------------------|------------------------------------------------------------------------------|
| <b>Product Information</b> | Product does not present an acute toxicity hazard based on known information |
| <b>Inhalation</b>          | No data available.                                                           |
| <b>Eye Contact</b>         | No data available.                                                           |
| <b>Skin Contact</b>        | No data available.                                                           |
| <b>Ingestion</b>           | No data available.                                                           |

**Symptoms related to the physical, chemical and toxicological characteristics**

|                 |                           |
|-----------------|---------------------------|
| <b>Symptoms</b> | No information available. |
|-----------------|---------------------------|

**Delayed and immediate effects as well as chronic effects from short and long-term exposure**

|                                 |                           |
|---------------------------------|---------------------------|
| <b>Sensitization</b>            | No information available. |
| <b>Mutagenic Effects</b>        | No information available. |
| <b>Carcinogenic effects</b>     | No information available  |
| <b>Reproductive Toxicity</b>    | No information available. |
| <b>STOT - single exposure</b>   | No information available. |
| <b>STOT - repeated exposure</b> | No information available. |
| <b>Aspiration hazard</b>        | No information available. |

**Numerical measures of toxicity - Product Information**

The following values are calculated based on chapter 3.1 of the GHS document

**12. ECOLOGICAL INFORMATION****Ecotoxicity****Ecotoxicity effects**

Contains 0 % of components with unknown hazards to the aquatic environment

**Persistence and Degradability**

No information available.

**Bioaccumulation**

No information available.

**13. DISPOSAL CONSIDERATIONS****Waste treatment methods**

|                                            |                                                                    |
|--------------------------------------------|--------------------------------------------------------------------|
| <b>Waste from Residues/Unused Products</b> | Dispose of in accordance with federal, state and local regulations |
| <b>Contaminated Packaging</b>              | Do not reuse empty containers.                                     |

**14. TRANSPORT INFORMATION****IMDG**

|                                                                                                |                                           |
|------------------------------------------------------------------------------------------------|-------------------------------------------|
| <b>14.1. UN-No</b>                                                                             | Not regulated                             |
| <b>14.2. Proper shipping name</b>                                                              | Not regulated                             |
| <b>14.3. Transport hazard class(es)</b>                                                        | Not regulated                             |
| <b>14.4. Packing Group</b>                                                                     | Not regulated                             |
| <b>Description</b>                                                                             | Not applicable                            |
| <b>14.5. Marine Pollutant</b>                                                                  | None                                      |
| <b>14.6. Special Provisions</b>                                                                | None                                      |
