**Emergency telephone number****Emergency Telephone** Chemtrec 1-800-424-9300 (US)  
+34.678750066**Section 2: HAZARDS IDENTIFICATION****Classification**

Not classified

**Label Elements****Hazard statements**

Not classified.

**Other Information****Unknown acute toxicity** 0 % of the mixture consists of ingredient(s) of unknown toxicity  
0 % of the mixture consists of ingredient(s) of unknown acute oral toxicity

0 % of the mixture consists of ingredient(s) of unknown acute dermal toxicity  
0 % of the mixture consists of ingredient(s) of unknown acute inhalation toxicity (gas)  
0 % of the mixture consists of ingredient(s) of unknown acute inhalation toxicity (vapor)  
0 % of the mixture consists of ingredient(s) of unknown acute inhalation toxicity (dust/mist)

### Section 3: COMPOSITION/INFORMATION ON INGREDIENTS

#### Substance

Not applicable.

#### Mixture

The product contains no substances which at their given concentration, are considered to be hazardous to health

### Section 4: FIRST AID MEASURES

#### Description of first aid measures

|              |                                                                                                                         |
|--------------|-------------------------------------------------------------------------------------------------------------------------|
| Inhalation   | Remove to fresh air.                                                                                                    |
| Eye contact  | Rinse thoroughly with plenty of water for at least 15 minutes, lifting lower and upper eyelids.<br>Consult a physician. |
| Skin contact | Wash skin with soap and water.                                                                                          |
| Ingestion    | Clean mouth with water and drink afterwards plenty of water.                                                            |

#### Most important symptoms and effects, both acute and delayed

|          |                           |
|----------|---------------------------|
| Symptoms | No information available. |
|----------|---------------------------|

#### Indication of any immediate medical attention and special treatment needed

|                    |                        |
|--------------------|------------------------|
| Note to physicians | Treat symptomatically. |
|--------------------|------------------------|

### Section 5: FIRE FIGHTING MEASURES

|                                                |                                                                                                                                       |
|------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------|
| Suitable Extinguishing Media                   | Use extinguishing measures that are appropriate to local circumstances and the surrounding environment.                               |
| Unsuitable extinguishing media                 | CAUTION: Use of water spray when fighting fire may be inefficient.                                                                    |
| Specific hazards arising from the chemical     | No information available.                                                                                                             |
| Explosion data                                 |                                                                                                                                       |
| Sensitivity to mechanical impact               | None.                                                                                                                                 |
| Sensitivity to static discharge                | None.                                                                                                                                 |
| Special protective equipment for fire-fighters | Firefighters should wear self-contained breathing apparatus and full firefighting turnout gear.<br>Use personal protection equipment. |

## Section 6: ACCIDENTAL RELEASE MEASURES

### Personal precautions, protective equipment and emergency procedures

**Personal precautions** Ensure adequate ventilation.

### Methods and material for containment and cleaning up

**Methods for containment** Prevent further leakage or spillage if safe to do so.

**Methods for cleaning up** Pick up and transfer to properly labeled containers.

## Section 7: HANDLING AND STORAGE

### Precautions for safe handling

**Advice on safe handling** Handle in accordance with good industrial hygiene and safety practice.

### Conditions for safe storage, including any incompatibilities

**Storage Conditions** Keep containers tightly closed in a dry, cool and well-ventilated place.

## Section 8: EXPOSURE CONTROLS/PERSONAL PROTECTION

### Control Parameters

**Exposure Limits** This product, as supplied, does not contain any hazardous materials with occupational exposure limits established by the region specific regulatory bodies.

### Appropriate engineering controls

**Engineering controls** Showers  
Eyewash stations  
Ventilation systems.

### Individual protection measures, such as personal protective equipment

**Eye/face protection** No special protective equipment required.

**Skin and body protection** No special protective equipment required.

**Respiratory protection** No protective equipment is needed under normal use conditions. If exposure limits are exceeded or irritation is experienced, ventilation and evacuation may be required.

**General hygiene considerations** Handle in accordance with good industrial hygiene and safety practice.

## Section 9: PHYSICAL AND CHEMICAL PROPERTIES

### Information on basic physical and chemical properties

|                                               |                           |                                                |                   |
|-----------------------------------------------|---------------------------|------------------------------------------------|-------------------|
| <b>Physical state</b>                         | Liquid                    |                                                |                   |
| <b>Appearance</b>                             | clear /colorless          |                                                |                   |
| <b>Odor</b>                                   | No information available  |                                                |                   |
| <b>Odor threshold</b>                         | No information available  |                                                |                   |
| <b>Property</b>                               | <b>Values</b>             | <b>pH</b>                                      | No data available |
| <b>Melting point / freezing point</b>         | No data available         | <b>Initial boiling point and boiling range</b> | 100 °C / 212 °F   |
| <b>Flash point</b>                            | No data available         | <b>Evaporation rate</b>                        | No data available |
| <b>Flammability</b>                           | No data available         | <b>Flammability Limit in Air</b>               |                   |
| <b>Upper flammability or explosive limits</b> | No data available         |                                                |                   |
| <b>Lower flammability or explosive limits</b> | No data available         |                                                |                   |
| <b>Vapor pressure</b>                         | No data available         | <b>Relative vapor density</b>                  | No data available |
| <b>Relative Density</b>                       | No information available  | <b>Water solubility</b>                        | No data available |
| None known                                    |                           | <b>Solubility in other solvents</b>            |                   |
| <b>Partition coefficient: n-octanol/water</b> | No data available         | <b>Autoignition temperature</b>                | No data available |
| <b>Hyphen</b>                                 | No data available         | <b>Kinematic viscosity</b>                     | No data available |
| <b>Dynamic viscosity</b>                      | No data available         | None known                                     |                   |
| <b>Other information</b>                      |                           |                                                |                   |
| <b>Explosive properties</b>                   | No information available. |                                                |                   |
| <b>Oxidizing properties</b>                   | No information available. |                                                |                   |
| <b>Softening point</b>                        | No information available  |                                                |                   |
| <b>Molecular Weight</b>                       | No information available  |                                                |                   |
| <b>VOC content</b>                            | No information available  |                                                |                   |
| <b>Liquid Density</b>                         | No information available  |                                                |                   |
| <b>Bulk density</b>                           | No information available  |                                                |                   |

## Section 10: STABILITY AND REACTIVITY

|                                           |                                           |
|-------------------------------------------|-------------------------------------------|
| <b>Reactivity</b>                         | No information available.                 |
| <b>Chemical stability</b>                 | Stable under normal conditions.           |
| <b>Possibility of hazardous reactions</b> | None under normal processing.             |
| <b>Hazardous polymerization</b>           | None under normal processing.             |
| <b>Conditions to Avoid</b>                | None known based on information supplied. |
| <b>Incompatible materials</b>             | None known based on information supplied. |
| <b>Hazardous decomposition products</b>   | None under normal use conditions.         |

## Section 11: TOXICOLOGICAL INFORMATION

### Information on likely routes of exposure

#### Product Information

|                    |                                                                   |
|--------------------|-------------------------------------------------------------------|
| <b>Inhalation</b>  | Specific test data for the substance or mixture is not available. |
| <b>Eye contact</b> | Specific test data for the substance or mixture is not available. |

**Skin contact** Specific test data for the substance or mixture is not available.

**Ingestion** Specific test data for the substance or mixture is not available.

**Symptoms related to the physical, chemical and toxicological characteristics**

**Symptoms** No information available.

**Acute toxicity**

**Numerical measures of toxicity**

The following values are calculated based on chapter 3.1 of the GHS document

|                                      |                 |
|--------------------------------------|-----------------|
| <b>ATEmix (oral)</b>                 | 99,999.00 mg/kg |
| <b>ATEmix (dermal)</b>               | 99,999.00 mg/kg |
| <b>ATEmix (inhalation-gas)</b>       | 99,999.00 mg/l  |
| <b>ATEmix (inhalation-dust/mist)</b> | 99,999.000 mg/l |
| <b>ATEmix (inhalation-vapor)</b>     | 99,999.00 mg/l  |

**Unknown acute toxicity** 0 % of the mixture consists of ingredient(s) of unknown toxicity  
0 % of the mixture consists of ingredient(s) of unknown acute oral toxicity  
0 % of the mixture consists of ingredient(s) of unknown acute dermal toxicity  
0 % of the mixture consists of ingredient(s) of unknown acute inhalation toxicity (gas)  
0 % of the mixture consists of ingredient(s) of unknown acute inhalation toxicity (vapor)  
0 % of the mixture consists of ingredient(s) of unknown acute inhalation toxicity (dust/mist)

**Delayed and immediate effects as well as chronic effects from short and long-term exposure**

**Skin corrosion/irritation** No information available.

**Serious eye damage/eye irritation** No information available.

**Respiratory or skin sensitization** No information available.

**Germ cell mutagenicity** No information available.

**Carcinogenicity** No information available.

**Reproductive toxicity** No information available.

**STOT - single exposure** No information available.

**STOT - repeated exposure** No information available.

**Aspiration hazard** No information available.

**Section 12: ECOLOGICAL INFORMATION**

**Ecotoxicity** The environmental impact of this product has not been fully investigated.

**Persistence and Degradability** No information available.

**Bioaccumulation** No information available.

## Section 13: DISPOSAL CONSIDERATIONS

### Waste treatment methods

|                                     |                                                                                                                 |
|-------------------------------------|-----------------------------------------------------------------------------------------------------------------|
| Waste from residues/unused products | Dispose of in accordance with local regulations. Dispose of waste in accordance with environmental legislation. |
| Contaminated packaging              | Do not reuse empty containers.                                                                                  |

## Section 14: TRANSPORT INFORMATION

### IMDG

|                                                                                         |                          |
|-----------------------------------------------------------------------------------------|--------------------------|
| 14.1. UN-No                                                                             | Not regulated            |
| 14.2. Proper shipping name                                                              | Not regulated            |
| 14.3. Transport hazard class(es)                                                        | Not regulated            |
| 14.4. Packing Group                                                                     | Not regulated            |
| Description                                                                             | Not applicable           |
| 14.5. Marine Pollutant                                                                  | None                     |
| 14.6. Special Provisions                                                                | None                     |
| No information available in bulk according to Annex II of MARPOL 73/78 and the IBC Code | No information available |

### RID

|                                  |                |
|----------------------------------|----------------|
| 14.1. UN-No                      | Not regulated  |
| 14.2. Proper shipping name       | Not regulated  |
| 14.3. Transport hazard class(es) | Not regulated  |
| 14.4. Packing Group              | Not regulated  |
| Description                      | Not applicable |
| 14.5. Environmental hazard       | None           |
| 14.6. Special Provisions         | None           |

### ADR

|                                  |                |
|----------------------------------|----------------|
| 14.1. UN-No                      | Not regulated  |
| 14.2. Proper shipping name       | Not regulated  |
| 14.3. Transport hazard class(es) | Not regulated  |

|                            |                |
|----------------------------|----------------|
| 14.1. UN-No                | Not regulated  |
| 14.2. Proper Shipping Name | Not regulated  |
| 14.3. Hazard Class         | Not regulated  |
| 14.4. Packing Group        | Not regulated  |
| Description                | Not applicable |
| 14.5. Environmental hazard | None           |
| 14.6. Special Provisions   | None           |

### IATA-DGR

|                            |                |
|----------------------------|----------------|
| 14.1. UN-No                | Not regulated  |
| 14.2. Proper shipping name | Not regulated  |
| 14.3.                      |                |
| 14.4. Packing Group        | Not regulated  |
| Description                | Not applicable |
| 14.5. Environmental hazard | None           |
| 14.6. Special Provisions   | None           |

## Section 15: REGULATORY INFORMATION

### Safety, health and environmental regulations/legislation specific for the substance or mixture

#### International Regulations

The Montreal Protocol on Substances that Deplete the Ozone Layer Not applicable

The Stockholm Convention on Persistent Organic Pollutants Not applicable

The Rotterdam Convention Not applicable

#### International Inventories

|               |          |
|---------------|----------|
| TSCA          | Complies |
| DSL/NDL       | Complies |
| EINECS/ELINCS | Complies |
| ENCS          | Complies |
| IECSC         | Complies |
| KECL          | Complies |
| PICCS         | Complies |
| AIIC          | Complies |

#### **Legend:**

**TSCA** - United States Toxic Substances Control Act Section 8(b) Inventory

**DSL/NDL** - Canadian Domestic Substances List/Non-Domestic Substances List

**EINECS/ELINCS** - European Inventory of Existing Commercial Chemical Substances/EU List of Notified Chemical Substances

**ENCS** - Japan Existing and New Chemical Substances

**IECSC** - China Inventory of Existing Chemical Substances

**KECL** - Korean Existing and Evaluated Chemical Substances

**PICCS** - Philippines Inventory of Chemicals and Chemical Substances

**AIIC** - Australian Inventory of Chemical Substances

## Section 16: OTHER INFORMATION

|             |                  |                |                    |                                    |
|-------------|------------------|----------------|--------------------|------------------------------------|
| <b>NFPA</b> | Health hazards 0 | Flammability 0 | Instability 0      | Physical and chemical properties - |
| <b>HMIS</b> | Health hazards 0 | Flammability 0 | Physical hazards 0 | Personal protection X              |

### Key or legend to abbreviations and acronyms used in the safety data sheet

#### **LEG8 Section 8: EXPOSURE CONTROLS/PERSONAL PROTECTION**

|        |                             |        |                                  |
|--------|-----------------------------|--------|----------------------------------|
| LEGTWA | TWA (time-weighted average) | LEGST  | STEL (Short Term Exposure Limit) |
| LEGC   | Maximum limit value         | LEGSKN | Skin designation                 |
